Subject: Microsoft Settlement

Renata Hesse,

I feel like the proposed Microsoft Settlement is truly unfair and does nothing to punish this monopolizing corporation or set a reasonable precedence for cases like this in the future.

As a single individual, I would feel helpless were I to try to stand up for my rights against Microsoft. I believe in my heart that if our country cannot stand up to Microsoft with firm punitive action then our future is truly grim.

Thank you for your effort,
Robert Orsini
